On February 15, 2019, NORMAN agreed to meet the minor female that evening at a location in Sierra Vista. NORMAN arrived at the agreed upon location at the time he indicated he would be there and was arrested by agents from Homeland Security Investigations (HSI). In a search incident to arrest NORMAN was found to have condoms in his possession that were requested by the undercover LEO.

After waiving his *Miranda* rights, NORMAN stated that he came to the meet location for the purposes of having sex with the underage minor. NORMAN stated that he knew she was under the age of 18 and told the undercover LEO during the chat that it didn't matter to him. NORMAN described the sexual acts that he wanted to perform with the 14-year-old minor, which matched what he described in the chats. NORMAN stated that he brought condoms to the meet location and that they were in his wallet.
